Weave Kool Kids Program

The Weave Kool Kids Program (WKKP) is a strengths-based program providing children aged 7-13 years with opportunities to learn through fun and engage in recreational peer-based activities and one-to-one mentoring. Initiatives of WKKP are focused on improving social and emotional health and wellbeing, connection to culture, and promoting strong peer relationships and a sense of self and identity in participants. Weave Kool Kids partners with local primary schools to deliver free, fun, skill-based after school and holiday activity programs for children and young people.

There is also a "Switch" Leadership component to the WKKP which supports young people up to age 18, and a Child, Youth & Family Caseworker who provides holistic support to the children, young people and families.

The program prioritises children and young people who face multiple challenges in their lives and who are impacted by intergenerational trauma and systemic disadvantage. A dedicated team of Youth & Community Workers provide strengths-based, trauma-informed, activities-based programs after school and during the school holidays. Examples of programs include swimming, surfing, transition to high school programs, music, drama, dance, creative arts, healthy living and cooking, and community based programs.
